Dear 

I am very sorry that I was unable to see you before your departure from Walter Reed, but I hope that I shall be able to see you personally sometime during the period of your convalescence in Florida. Meantime, I want you to know how deeply I appreciate your services to this Agency and how much I regret your departure. You established a very fine record for us in your recent post by your wise and effective discharge of your responsibilities as Senior Representative. It is our loss that your health prevents your undertaking similar responsibilities in the new post to which you were to be assigned. I want you to know, moreover, that in the event that your health improves sufficiently, I shall be very much interested in getting you to serve again in some important capacity for this Agency.

With all best wishes for a speedy recovery.

Yours very sincerely,

ALLEN W. DULLES  
Director
